Fees:

Mites\$50
Squirts\$150
Pee Wee\$150
Bantam\$150
Midgets\$150

American Eagle Club Facts

The American Eagles Youth Hockey program is affiliated with USA Hockey, New Jersey Youth Hockey League, and the Atlantic District. Our program consists of teams from the Mites through Midgets at the Tier II (AA, A, & B) levels.

Philosophy The Eagles program teaches young players to learn and master the skills of hockey without an overemphasis placed on winning. Some objectives we wish to achieve are as follows: provide a fun and healthy environment to learn; measure success by the improvement of each player over the course of the season; stress the importance of developing students-athletes, not superstar athletes; and to teach the importance of sportsmanship

Coaching The coach plays a prominent role in the physical and emotional development of the player. The impression that the coach makes on the players is profound, how they relate to and learn the game of hockey is primarily the responsibility of the coach. Coaches have different styles and personalities in achieving their goals, but all must subscribe to the Club's philosophy. Playing travel hockey is a commitment for both the player and parent. The amount of ice-time your child receives in any one game (or games) is the final decision of the coach and is supported by the Eagles organization.

Tryout Information Tryouts will be held at the Gold Coast Sports Arena. The team designations and coaching staff are subject to change and is not a guarantee that the American Eagles will field a team at every level. The final decision to field a Tier II (AA, A, B) team or multiple teams at any level will be based upon a variety of factors including: the number and quality of players, coaches and ice time availability.

All team selections are based upon the performance of all eligible players, at the tryouts, of the skills necessary to be a competitive travel hockey player. It is at the final discretion of the team coaches, with approval of the Eagles, whether a player is added or deleted from a team. Existing Eagle players are given every consideration, but no guarantee, of making any team, regardless if they have played for that team the previous season. Parents should note that there is always a possibility that your child may not be selected, based upon the opinion of the coach. We ask you to be mindful of this when preparing your child for the tryout. Hockey, just like all other sports, is designed to teach life's lessons, however hard they may be.

Program Highlights
